

**Princeton Public Schools  
Strategic Plan  
2016 – 2021**

**Goal 1: Enhance wellness and balance for staff and students**

**Objective 2: AP Options - Enhance wellness, balance, and learning for students through an examination of options around AP courses**

Major Tasks	Staff	Resources	Timeline	Indicators of Success	Notes on Progress
Establish an inter-departmental committee at the high school to consider options for AP's, including: <ul style="list-style-type: none"> <li>• Replacing AP's with Advanced Topics curricula to encourage deeper learning as has been recommended by the Social Studies Review Committee</li> <li>• Limiting the number of AP's a student can take in a given year</li> <li>• Other</li> </ul> Committee to present recommendations to SAC.	PHS administration and supervisors		Committee established: Fall, 2016  Recs presented: June, 2017		
If the committee recommends transitioning any courses from AP to AT, educate the community and the colleges regarding the move to Advanced Topics. Develop rationale and talking points.	SC, with PHS admin; supervisors; guidance staff				
If the committee recommends transitioning any courses from AP to AT, collaborate with colleges in designing the curricula.	Asst. Superintendent with supervisors
